

Board of Trustees Speaking Suggestions

IMPORTANT!!! BE POSITIVE!!! The Board members generally support the Faculty and serve on the Board to serve the students. Trustees rely on us to keep them informed of what is going on in the classroom and on the campus.

Show up to the Anaheim campus by 5:15 and fill out a yellow card to address the board at the beginning of the meeting.

Introduce yourself, what you teach and how long you have been at Fullerton College.

Let the Board know what you enjoy about teaching, Fullerton College and the students.

Let the Board know what you and faculty in your area are doing above and beyond your teaching assignment to enhance student success.
