SUBJECT: 2014-2015 Combined Perkins Title I-C and CTE Transitions Local Application Templates

The Chancellor's Office has made the decision to consolidate the Perkins Title I-C and the CTE Transitions application process beginning with the 2014-2015 program year. Instead of individual colleges, the CTE Transitions funds will be awarded to districts, based on their number of colleges, to fund expressly CTE Transitions designated activities.

To enable districts to begin planning in advance of the release of the 2014-2015 combined Perkins Title I-C and CTE Transitions online local application and instructions, the revised application form templates are posted now on the Chancellor's Office Career Education Practices Unit website at:

<http://extranet.cccco.edu/Divisions/WorkforceandEconDev/CareerEducationPractices/PerkinsIV/PerkinsIVTitleIPartC/LocalApplicationTemplates.aspx>

11. Section IV Parts A, B, C and D - Budget Summaries (online)
12. Section IV Parts AX, BX, CX, DX - Optional Budget Worksheets (for local use only)

After the online application is released (anticipated by mid-April), you can copy and paste the information collected from the templates into the online application forms. In the attachment, we have provided for planning purposes, the 2013-2014 CTE Transitions and Title I-C allocations by district. You can use the 2013-2014 amounts to develop the 2014-2015 Perkins Local Application budgets. You will likely revise these budgets after the 2014-2015 CTE Transitions and Title I-C district allocations are announced in the spring.

The completed online application must be certified and submitted by your Chief Executive Officer by Thursday, May 15, 2014 for Chancellor's Office staff to review and approve by Tuesday, July 1, 2014.

If you have any questions, please contact your Regional Program Monitor.
