

## STUDENT SUCCESS COMMITTEE (SSC)

The Student Success Committee (SSC) was created in fall 2011 by mutual agreement of the President and the Faculty Senate to provide leadership, advocacy, and the institutional guidance and vision for coordinating campus-wide student success efforts affecting basic skills, transfer, Career Technical Education, completion, diversity and equity at Fullerton College.

With the support and collaboration of the entire campus community, the committee will investigate issues, gather and share information and data, consult with constituencies, and serve as a repository of knowledge and the catalyst for student success and completion activities on campus. Engaging in this process, the SSC will prioritize and offer solutions, recommend resources, and evaluate effectiveness using appropriate indicators of student success. The ~~Basic Skills Committee (BSC)~~, **Basic Skills Student Success Steering Committee (BSSSSC)**, Student Equity Committee, Campus Diversity Committee, Staff Development Committee, **and Student Success and Support Program Committee (SSSP)** are all advisory to the SSC.

The Student Success Committee will consult with divisions, departments, areas, formal committees, ad hoc advisory groups, and others as needed to achieve its mission. All members of the college community will be valuable resources and participants in this project.

This group will meet on a regular basis as a whole body. In order to plan and implement these efforts, the SSC will periodically request the formation of ad hoc advisory groups, as needed. Faculty representatives will bring division concerns to the committee and take a leadership role in forming advisory groups when necessary. The committee will be co-chaired by a faculty member and administrator. The Executive Committee will work with the Vice President, Instruction to coordinate the workings of the committee. The committee reports to the Faculty Senate and the President's Advisory Council.

### **Committee** Membership:

#### Executive Committee

2 Co-Chairs: Faculty and Manager (elected to 2-year terms by the committee)

~~Basic Skills exec: (elected from membership, or appointed by co chairs)~~
