

Student Evaluation Form – Instructor, REVISED

1. The course goals were clearly explained.
2. Text and/or other reading materials were related to the course.
3. Coursework, assignments and other learning activities were related to the course.
4. Examinations and/or other evaluations were related to the course.
5. Presentation of material in lectures, discussions and other learning activities was clear.
6. Grading of examinations and/or other assignments followed the instructor's grading policy.
7. The instructor provided regular, timely and meaningful feedback on student assignments and/or tests.
8. The instructor organized class sessions or activities effectively.
9. The instructor was responsive to student questions and concerns.
10. The instructor was available to students for assistance as explained in the syllabus.
11. The instructor demonstrated courtesy, respect and professionalism.
12. For on-campus classes, the instructor held class regularly and on time.
13. For online classes, the instructor interacted with students regularly throughout the term.

In answering questions 14 and 15, think back over your experience in this course and consider:

Instruction during class

Assignments

Textbooks/other course materials

Grading of tests, exams, papers and/or projects.

14. What did you like the best about the class?

15. What suggestions do you have for changes?
