

## Accreditation Steering Committee Proposal for a Distance Education Task Force

**Proposal:** Faculty Senate and PAC form a Distance Education Task Force to begin work in fall 2016. The expected duration of the task force is two years.

**Task Force Charge:**

1. Evaluate Fullerton College's compliance with accreditation standards and federal requirements for distance education, as outlined in the ACCJC Questions on Distance Education (attached).
2. Recommend actions for addressing any shortcomings in meeting accreditation standards and federal requirements for distance education. (Target: Initial recommendations for highlighted questions in Spring 2017)
3. Recommend an ongoing method or methods for ensuring that distance education policies, practices, and procedures are in compliance with accreditation standards and federal requirements.

**Membership:** The makeup of the task force should include classified professionals, deans, faculty, managers, and students. The specific number of each group will be determined by Senate Exec and the college president.
